PROFESSIONAL SUMMARY

Aspiring Full Stack Python Developer with hands-on experience in Python, Flask, Django, MySQL, HTML, CSS, JavaScript, and React. Passionate about building scalable web applications with strong knowledge of object-oriented programming, database management, and modern web development practices.

TECHNICAL SKILLS

- Python
- Flask
- HTML
- CSS
- JavaScript
- Bootstrap
- PHP
- MySQL
- SQLite
- Git
- GitHub
- REST API
- OOP
- Data Structures
- VS Code

PROFESSIONAL EXPERIENCE

Full Stack Python Intern | JRM Infotech

2026

- Developed responsive web applications using Python, HTML, CSS, and MySQL while gaining hands-on experience in full-stack development.
- Assisted in frontend and backend development, implemented CRUD operations, fixed bugs, and improved application functionality.
- Collaborated with team members to develop and test web applications following industry practices.

PROJECTS

AI-Based Career and Skill Gap Analysis System

Python, Flask, HTML, CSS, JavaScript, MySQL, Chart.js, AI API

- Developed an AI-powered web application that analyzes resumes, identifies skill gaps, and recommends suitable career paths.
- Integrated AI chatbot support, resume scoring, analytics dashboard, and PDF report generation using ReportLab.
- Designed a secure MySQL database and responsive interface for efficient user management and data visualization.

Habit Tracker System

Python (Flask), HTML, CSS, MySQL

- Built a web-based habit tracking application with secure login, registration, and personalized habit management.
- Implemented CRUD functionality to create, update, monitor, and delete daily habits using Flask and MySQL.
- Designed a simple responsive user interface to help users efficiently track daily progress.

EDUCATION

Master of Computer Applications (Data Science & Artificial Intelligence)

2026 – 2028

JAIN (Deemed-to-be University)

Pursuing

Bachelor of Computer Applications (BCA)

2023 – 2026

Christ College of Science and Management

CGPA: **7.60**

CERTIFICATIONS

- Data Analytics using Power BI – Rats Technologies
- Digital 101 Journey – FutureSkills Prime (NASSCOM)
- Customer Engagement – IBM SkillsBuild
- Artificial Intelligence Fundamentals – IBM SkillsBuild
